## THOMAS C. JONES, deebles meet with much consideration OF DAVIESS COUNTY

THE PRIMARY ELECTION. Why should lt? Already we have the Several conditions spoke here to stay. Maj. Are you a Democrat? If a Democrat Ruxville branch road completed to a point near the Cumberland Gap, by the plain, simple, but important duty to per
Louisville and Nashville Bailroad Comfort Commonwealth's Allorney.

Severat establishes poke here to stay. Maj. Jas. Christman, of Montleello, taking the start first, announcing timed as a candidate as a candidate for Commonwealth's Allorney. various precincts of the county for the isville through Spencer, Harlan and in- as a candidate for the same office. various precincts of the county for the isville through Spencer, Harian and inspection of the county for the purpose of getting an expression from termediate countles to Richmond? Why the voters of the party as to the most not take up or begin the line to Richmond Mr. Warren, in a short specific word of the designated by mond, Va., at the point designated by mond, Va., at the point designated by and fairly. If a man should perpetrate and complete it? Such talk as that of speech.

Adiabatest act on that they to seeme a Gen. Imbulen is all bosh—wind work.

Gen. Imbulen is all bosh—wind work. and fairly. It a man should perpetrate and complete it? Such take its that of a disconstant on that day to secure a vote for himself or favorite, it is ussafe to trust him in the ordinary transactions.

We would like to speak at length on the remarks of the able gentlemen, but on account of niher duties we must forbear at present.

Mr. Jno. S. Van Winkle dict not cuter him that you will at one cuter upon the discharge. reprehensible in the eyes of honest, pure ask or expect will have been neconmen to recort to the trickery usually em- plished. ployed in closely contested elections, it is our readers. We therefore urgo the as-pirants for nomination and their friends to close the canvass on the 4th day of A shautee. He proposes to hang every Methodist in the United States to a April as they have conducted it thus April as they have conducted it thus far, without serious cause of offence to the next the day will come when they will be so

any member of the party, or their opponents.

To the Democratic voters of Lincoln we desire to say that it is time we were all getting back to the old moorings. We all getting back to the old moorings. We have been out of line long enough. If her been accomplished, says the minute and have been out of line long enough. If there is, honesty will re-appear. To we hope to retain our ascendency in the we mildly reply, in the lun-sacing is, to hear our friends who have ists and contractiquists came up in the sacing is, to hear our friends who have ists and contractiquists came up in the sacing is, to hear our friends who have ists and contractiquists. county, and maintain our principles, we county, and maintain our principles, we guage of a cotemporary, that it would just returned from the South, talk about lower House of Congress last Monday, the early vegetables they enjoyed and and the expansionists, led by Mr. Beek part in selecting our representatives in hamp-posts enough for the purpose, the delicious fruits that were placed be-with his bill increasing the regular issue the delicious fruits that were placed be-with his bill increasing the regular issue

to the other party; but let such consider of the dilemna he chooses. that the "good man" runs not as himself. that the "good man" runs not as honself, but as the exponent of the principles of the almost universal exclamation, when are in trouble. They had a primary Hartscille, Tena. Sentinel, has become in such a trap, and suffer yourselt humilisted by a mistaken feeling of neighborany reference to the decease of the heart.

Confrard now, if they will strike at the held n mass-meeting in Montie lie last proper time and in the proper way.

Monday and heartily undersed their fel-
